Create a simple text-only poster version with ONLY the following question text (nothing else—no intro, no taglines, no “JUST FOR FUN”, no emojis, no extra explanations). Format it centered and stacked like a clean social media graphic/poster, using line breaks for readability, but keep all the words exactly as written below:

“What’s the weirdest food combo you’ve ever tried and actually liked?”

Make sure spelling and punctuation stay exactly as in this prompt.
